

Heavy Duty “Rhino Tuff” Plastic Bins

With a lifetime guarantee, these plastic bins will perform in any environment time and time again.

Their strong robust design and shock proof plastic make these bins ideal for heavy duty industrial applications. The quality and ergonomic design means all our plastic bins can be stacked securely or hung on louvre panels or rails making them efficient in any small part picking environment.

They have a large identification area as well as a large open picking face, meaning the contents are easily identified and picked. With 9 sizes to choose from plus a range of wall panels, racks, trolleys and shelving bays.

- ★ Small parts storage solution
- ★ Made in tough shock proof plastic
- ★ Lifetime guarantee
- ★ Robust and ergonomic design
- ★ Bins in 9 sizes, three colours
- ★ Guaranteed delivery in 5 days

Check out our fantastic range of shelving systems that are ideal for storing bins.

Efficient way to organise high density small part picking walls

Louvre Racks

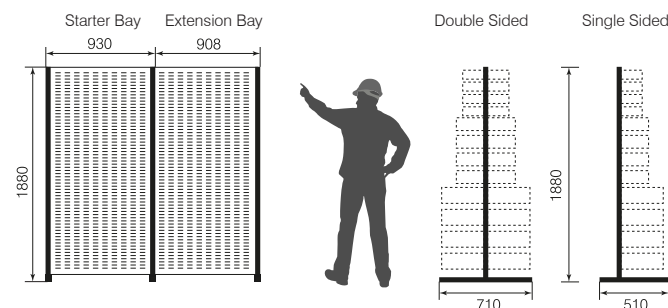

Our range of louvre racks provide an efficient way to organise small parts bins which include every size for our Rhino Tuff range.

The racks provide a simple way to organise small part storage bins, providing a high density storage solution whilst maintaining an efficient way to retrieve items from the picking face.

The frames are made from strong box section profiles finished in light grey RAL 7038 and the louvre panels from hard wearing galvanized steel. The units can be configured as stand-alone bays or built in runs using a starter and extension bays in either single or double sided formats.

Louvre Rack dimensions (mm)

Louvre Racks (no bins)

Description	H x W (mm)	Code	Price
Starter Rack - Single Sided	1880 x 930	ARTBRKSSS	£327.45

Plastic Bins kits on double sided Louvre Trolleys

Save wasted time travelling to items stored in static shelving installations by putting all your small parts storage bins onto our Louvre Trolleys.

Each trolley has been designed to perform to the highest standards with a robust frame design and tough galvanised louvre panels. Each unit comes with an ergonomic plastic handle so the unit can be comfortably moved. The trolley is fitted with heavy duty swivel castors, that offer ease of movement. Two of the castors are braked, which means the trolley can be secured when not in use.

Double Sided Trolley (no bins)

H x W x D (mm)	Code	Price
1400 x 930	ARTBTY	£471.35
