Industrial Steel Cupboards

New and improved, strong and robust industrial cupboards that offer excellent security whilst keeping products clean and safe.

There is a choice of two sizes that come complete with fully adjustable, reinforced shelves with a 25mm pitch. The cupboard features a mastered three point espagnolette locking mechanism, with two keys (replacement keys widely available). The doors open 180 degrees, offering a full 855mm of horizontal clearing.

- ★ 180 degree reinforced door opening
- ★ Ideal for office and workshop
- ★ Heavy duty shelves - up to 70kg
- ★ New Light Grey finish (RAL7035)
- ★ Mastered three-point locking system
- ★ Shelves adjust every 25mm
- ★ All steel construction
- ★ Door buffers absorb impact
- ★ FIRA Certified
- ★ Ten year guarantee

Industrial Steel Cupboards complete with Bins

Our new range of industrial strength cupboards are available complete with our "Rhino Tuff" plastic bins.

The cupboards are manufactured to withstand the wear and tear of industrial use and provide a safe and secure way to store your inventory. The lockable doors also provide a clean and dust free environment for storing any sensitive items or just to keep stock secure, clean and tidy.
