

Material Safety Data Sheet

MAY 24,2012 page 1

1. Product and manufacturer Product name Type of product Company Application	65860 HOT MELT GLUE STICK General purpose glue. Draper Tools Ltd Hursley Road Chandlers Ford Eastleigh Hampshire SO53 1YF Draper Helpline +44 (0) 2380 494344 Wood, Paper, Cardboard, Plastic, Ceramic, Hobby/Craft projects.										
2. Information of product composition	<table> <tr> <td>Components</td><td>% Range</td></tr> <tr> <td>RESIN</td><td>20-45%</td></tr> <tr> <td>EVA</td><td>45-70%</td></tr> <tr> <td>MICRO WAX</td><td>5-15%</td></tr> <tr> <td>OTHERS</td><td>2-5%</td></tr> </table>	Components	% Range	RESIN	20-45%	EVA	45-70%	MICRO WAX	5-15%	OTHERS	2-5%
Components	% Range										
RESIN	20-45%										
EVA	45-70%										
MICRO WAX	5-15%										
OTHERS	2-5%										
3. Data on product safety	Our product has no dangerous for person.										
4. First aid hints Skin scald	If you scalded careless during operating procedure, wash you skin with plenty of water.										
5. Fire protection Fire risks	Keep away from heat and flame. Therefore the storage must follow general fire protection regulations.										
6. Measures to be taken in the case of an accidental leak	The breakage of products also has no dangerous for people.										
7. Handling and storage Hints for handling Hints for storage	Keep to local regulations and instructions for the safety of work in the course of handling. Store in dry and shady rooms. Keep away from light. Guarantee period is 1 year.										

8. Check for exposure and personnel protection Check for exposure effect Personal protection	In the sun ,the product will change color(from white to yellow).But the quality is not change. Also that's not dangerous for people.
9. Physical and chemical properties appearance viscosity (180°C) Softening point	transparent 10000 ±1000mpa.s(180°C) CPS 80±2°C
10. Stability and reactivity Conditions of product stability Dangerous destructive products	Supplied in stable form. No dangerous
11. Toxicological information	The products ready for minimum danger to human health excepting the risks described above.
12. Ecological information	Hot melt sticks are glue which is environmentally friendly
13. Information on disposal	absence
14. Forwarding information	The products should be protected against long-lasting exposure to humidity, rain, snow, and frost.
15. Legal regulations	absence
16. Further information	The above information describes is based on the current state of our knowledge.
